### CAG Purpose

The purpose of the CAG is to provide a conduit for formal and regular communication between the people of the Libby community and EPA and to provide advice and/or recommendations to EPA and others such as Montana's Congressional delegation.

### CAG Membership

CAG members are self-selected, and membership continues to be open to people wishing to join if they are willing to accept member responsibilities.

#### CAG Membership Responsibilities

1. Acting as communication conduit between the EPA and members of the Libby and Troy communities.
2. Being present at CAG meetings or sending alternates.
3. Being willing to have their names, telephone numbers, and addresses published in the local newspaper(s) so that people from the Libby and Troy communities can contact them.

### **CAG Cleanup Goals**

The CAG has adopted and sent to Governor Martz on July 5, 2001 the following goal statement for responding to the asbestos cleanup:

A solution for Libby must include:

1. Clean up all contamination and long-term monitoring;
2. Medical monitoring, care, and research;
3. Compensation for victims now and in the future; and
4. Restore business vitality.

### **CAG Meetings**

- The CAG does not have a local chair; its meetings are facilitated by Gerald Mueller.
- The CAG meeting agenda is to begin with agency reports, followed by CAG member presentations and comments and public comments.
- Audience member comments are to be solicited before the CAG makes decisions.
- Audience members may participate in CAG discussions by asking questions so long as the meeting is not disrupted.

### **Issues CAG Should Address**

1. Monitoring Superfund cleanup
2. Funding for long-term asbestos-related health needs
